4134 Montith Drive Stop scrolling -- this is the ranch you've been waiting for. Three bedrooms, three full baths, and everything on one floor for ultimate ease of living. The heart of the home is a fireplace-anchored great room with the seller's upgrade of soaring ceilings and bonus square footage (because bigger really is better). From there, step right out to your oversized composite deck with sweeping views of lush flower gardens -- morning coffee never looked this good. The primary suite is spacious, the layout is wide open, and every inch says "live comfortably." Bonus: no fighting over bathrooms. With shopping minutes away and the freeway right around the corner, convenience is literally built in. Ranches like this don't come around often... so you might want to make your move.
