4312 Woodstream Drive Nestled in the Crystal Creek Subdivision, this comfortable ranch home offers a split bedroom floor plan with the primary suite on one side of the home and 2 additional bedrooms on the opposite side. The open kitchen with stainless steel appliances flows into the eating area and cozy family room with a gas fireplace. Hardwood floors run throughout. The highlight of this home is the recently redesigned primary bath, which has been transformed into a modern oasis with dual sinks, a freestanding soaking tub, as well as a spacious stand-up shower with subway tile and a detailed tile floor. The primary suite also offers a large walk-in closet. There is a convenient laundry room on the first floor. The spacious finished basement adds even more value to this home with a 4th bedroom, (featuring a large egress window), a full bath, and wet bar. Enjoy the outdoors on the beautiful paved front and back patios, with a fully fenced backyard complete with a play structure.
