A dramatic two-story foyer welcomes you inside, where the front staircase creates an elegant first impression, while a second staircase off the great room adds both architectural character and everyday convenience. The breathtaking two-story great room is bathed in natural light from soaring windows and anchored by a cozy gas fireplace, creating the perfect gathering space. The beautifully updated kitchen features crisp white shaker-style cabinetry, a contrasting center island, stainless steel appliances, a gas range, and designer pendant lighting, flowing seamlessly into the sunlit breakfast nook with direct access to the expansive two-level patio and private backyard. The formal dining room, accented by picture-frame molding and a beautiful bay window, provides an elegant setting for entertaining, while the separate living room offers flexible space for a home office, sitting room, or additional gathering area. A convenient first-floor laundry room and stylish powder room complete the main level. Upstairs, the spacious primary suite offers a large walk-in closet and a spa-inspired ensuite with dual vanities, a soaking tub, separate shower, and private water closet. Three additional generously sized bedrooms share a full bath. The finished lower level expands the living space with a large recreation room, exercise area, flexible bonus space, and two dedicated storage rooms. A new roof in 2020 provides added peace of mind.
