

7379 Warwick Drive Move right in and start enjoying everything this three-bedroom, two-and-a-half-bath home has to offer! With 1,795 square feet of finished living space, there's plenty of room to spread out without sacrificing a comfortable, functional layout. The backyard is where this home really shines. The fully fenced yard features a brand-new deck, a putting green, and a playground, making it the perfect place to relax, entertain, or simply enjoy your own private outdoor space. Inside, you'll appreciate the thoughtful updates throughout, including a new furnace, giving you peace of mind from day one. Need extra space? The full basement offers tons of storage with the potential to finish it however you choose. A two-car attached garage adds even more convenience. If you've been looking for a home that's truly move-in ready with updates already completed and an outdoor space you'll actually use, this one deserves a spot at the top of your list.
